Getting connected with Konstella

Family and Staff members of the Toler PTA will receive an e-mail to sign-up with Toler's Konstella site. Konstella is a private web-site to help keep school families up-to-date on upcoming school events, as well as identify where help is needed. It allows you to volunteer where it works for your schedule and interests. A little goes a long way! Konstella also helps to foster close-knit parent communities helping each of us be better connected despite our busy schedules.

There are many ways to help at Toler and by working together we can make the education environment excel for our students. PTA members who provide their e-mail will receive an invitation to join the Toler Konstella site. If you have any questions about accessing Konstella, please contact either the PTA President, Keith Heaslett (tolerptaKeith@gmail.com) or the PTA Membership Chair, Heather Estrella (tolerptaheather@gmail.com).
